

3. Liens for real estate taxes and other governmental assessments or charges against the unit.
- C. Subsection B of this section does not affect the priority of mechanics' or materialmen's liens or the priority of liens for other assessments made by the association. The lien under this section is not subject to chapter 8 of this title.
- D. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same real estate those liens have equal priority.
- E. Recording of the declaration constitutes record notice and perfection of the lien for assessments, for charges for late payment of assessments, for reasonable collection fees and for reasonable attorney fees and costs incurred with respect to those assessments. Further recordation of any claim of lien for assessments under this section is not required.
- F. A lien for an unpaid assessment is extinguished unless proceedings to enforce the lien are instituted within three years after the full amount of the assessment becomes due.
- G. This section does not prohibit:
1. Actions to recover amounts for which subsection A of this section creates a lien.
  2. An association from taking a deed in lieu of foreclosure.
- H. A judgment or decree in any action brought under this section shall include costs and reasonable attorney fees for the prevailing party.
- I. On written request, the association shall furnish to a lienholder, escrow agent, unit owner or person designated by a unit owner a statement setting forth the amount of any unpaid assessment against the unit. The association shall furnish the statement within ten days after receipt of the request, and the statement is binding on the association, the board of directors and every unit owner if the statement is requested by an escrow agency that is licensed pursuant to title 6, chapter 7. Failure to provide the statement to the escrow agent within the time provided for in this subsection shall extinguish any lien for any unpaid assessment then due.
- J. Notwithstanding any provision in the community documents or in any contract between the association and a management company, unless the member directs otherwise, all payments received on a member's account shall be applied first to any unpaid assessments, for unpaid charges for late payment of those assessments, for reasonable collection fees and for unpaid attorney fees and costs incurred with respect to those assessments, in that order, with any remaining amounts applied next to other unpaid fees, charges and monetary penalties or interest and late charges on any of those amounts.

**33-1808. Flag display; political signs; caution signs; for sale, rent or lease signs; political activities**

- A. Notwithstanding any provision in the community documents, an association shall not prohibit the outdoor front yard or backyard display of any of the following:
1. The American flag or an official or replica of a flag of the United States army, navy, air force, marine corps or coast guard by an association member on that member's property if the American flag or military flag is displayed in a manner consistent with the federal flag code (P.L. 94-344; 90 Stat. 810; 4 United States Code sections 4 through 10).
  2. The POW/MIA flag.
  3. The Arizona state flag.
  4. An Arizona Indian nations flag.
  5. The Gadsden flag.
- B. The association shall adopt reasonable rules and regulations regarding the placement and manner of display of the American flag, the military flag, the POW/MIA flag, the Arizona state flag or an Arizona Indian nations flag. The association rules may regulate the location and size of flagpoles, may limit the member to displaying no more than two flags at once and may limit the height of the flagpole to no more than the height of the rooftop of the member's home but shall not prohibit the installation of a flagpole in the front yard or backyard of the member's property.
- C. Notwithstanding any provision in the community documents, an association shall not prohibit the indoor or outdoor display of a political sign by an association member on that member's property, except that an association may prohibit the display of political signs earlier than seventy-one days before the day of an election and later than three days after an election day. An association may regulate the size and number of political signs that may be placed on a member's property if the association's regulation is no more restrictive than any applicable city, town or county ordinance that regulates the size and number of political signs on residential property. If the city, town or county in which the property is located does not

regulate the size and number of political signs on residential property, the association shall not limit the number of political signs, except that the maximum aggregate total dimensions of all political signs on a member's property shall not exceed nine square feet. For the purposes of this subsection, "political sign" means a sign that attempts to influence the outcome of an election, including supporting or opposing the recall of a public officer or supporting or opposing the circulation of a petition for a ballot measure, question or proposition or the recall of a public officer.

D. Notwithstanding any provision in the community documents, an association shall not prohibit the use of cautionary signs regarding children if the signs are used and displayed as follows:

1. The signs are displayed in residential areas only.
2. The signs are removed within one hour of children ceasing to play.
3. The signs are displayed only when children are actually present within fifty feet of the sign.
4. The temporary signs are no taller than three feet in height.
5. The signs are professionally manufactured or produced.

E. Notwithstanding any provision in the community documents, an association shall not prohibit children who reside in the planned community from engaging in recreational activity on residential roadways that are under the jurisdiction of the association and on which the posted speed limit is twenty-five miles per hour or less.

F. Notwithstanding any provision in the community documents, an association shall not prohibit or charge a fee for the use of, placement of or the indoor or outdoor display of a for sale, for rent or for lease sign and a sign rider by an association member on that member's property in any combination, including a sign that indicates the member is offering the property for sale by owner. The size of a sign offering a property for sale, for rent or for lease shall be in conformance with the industry standard size sign, which shall not exceed eighteen by twenty-four inches, and the industry standard size sign rider, which shall not exceed six by twenty-four inches. This subsection applies only to a commercially produced sign, and an association may prohibit the use of signs that are not commercially produced. With respect to real estate for sale, for rent or for lease in the planned community, an association shall not prohibit in any way other than as is specifically authorized by this section or otherwise regulate any of the following:

1. Temporary open house signs or a member's for sale sign. The association shall not require the use of particular signs indicating an open house or real property for sale and may not further regulate the use of temporary open house or for sale signs that are industry standard size and that are owned or used by the seller or the seller's agent.
2. Open house hours. The association may not limit the hours for an open house for real estate that is for sale in the planned community, except that the association may prohibit an open house being held before 8:00 a.m. or after 6:00 p.m. and may prohibit open house signs on the common areas of the planned community.
3. An owner's or an owner's agent's for rent or for lease sign unless an association's documents prohibit or restrict leasing of a member's property. An association shall not further regulate a for rent or for lease sign or require the use of a particular for rent or for lease sign other than the for rent or for lease sign shall not be any larger than the industry standard size sign of eighteen by twenty-four inches on or in the member's property. If rental or leasing of a member's property is not prohibited or restricted, the association may prohibit an open house for rental or leasing being held before 8:00 a.m. or after 6:00 p.m.

G. Notwithstanding any provision in the community documents, an association shall not prohibit door to door political activity, including solicitations of support or opposition regarding candidates or ballot issues, and shall not prohibit the circulation of political petitions, including candidate nomination petitions or petitions in support of or opposition to an initiative, referendum or recall or other political issue on property normally open to visitors within the association, except that an association may do the following:

1. Restrict or prohibit the door to door political activity from sunset to sunrise.
2. Require the prominent display of an identification tag for each person engaged in the activity, along with the prominent identification of the candidate or ballot issue that is the subject of the support or opposition.

H. A planned community shall not make any regulations regarding the number of candidates supported, the number of public officers supported or opposed in a recall or the number of propositions supported or opposed on a political sign.

I. A planned community shall not require political signs to be commercially produced or professionally manufactured or prohibit the utilization of both sides of a political sign.

J. A planned community is not required to comply with subsection G if the planned community restricts vehicular or pedestrian access to the planned community. Nothing in this section requires a planned community to make its common elements other than roadways and sidewalks that are normally open to visitors available for the circulation of political petitions to anyone who is not an owner or resident of the community.

K. An association or managing agent that violates subsection F of this section forfeits and extinguishes the lien rights authorized under section 33-1807 against that member's property for a period of six consecutive months from the date of the violation.

### **33-1810. Board of directors; annual audit**

Unless any provision in the planned community documents requires an annual audit by a certified public accountant, the board of directors shall provide for an annual financial audit, review or compilation of the association. The audit, review or compilation shall be completed no later than one hundred eighty days after the end of the association's fiscal year and shall be made available upon request to the members within thirty days after its completion.

### **33-1811. Board of directors; contracts; conflict**

If any contract, decision or other action for compensation taken by or on behalf of the board of directors would benefit any member of the board of directors or any person who is a parent, grandparent, spouse, child or sibling of a member of the board of directors or a parent or spouse of any of those persons, that member of the board of directors shall declare a conflict of interest for that issue. The member shall declare the conflict in an open meeting of the board before the board discusses or takes action on that issue and that member may then vote on that issue. Any contract entered into in violation of this section is void and unenforceable.

### **33-1812. Proxies; absentee ballots; definition**

A. Notwithstanding any provision in the community documents, after termination of the period of declarant control, votes allocated to a unit may not be cast pursuant to a proxy. The association shall provide for votes to be cast in person and by absentee ballot and, in addition, the association may provide for voting by some other form of delivery, including the use of e-mail and fax delivery. Notwithstanding section 10-3708 or the provisions of the community documents, any action taken at an annual, regular or special meeting of the members shall comply with all of the following if absentee ballots or ballots provided by some other form of delivery are used:

1. The ballot shall set forth each proposed action.
2. The ballot shall provide an opportunity to vote for or against each proposed action.
3. The ballot is valid for only one specified election or meeting of the members and expires automatically after the completion of the election or meeting.
4. The ballot specifies the time and date by which the ballot must be delivered to the board of directors in order to be counted, which shall be at least seven days after the date that the board delivers the unvoted ballot to the member.
5. The ballot does not authorize another person to cast votes on behalf of the member.
6. The completed ballot shall contain the name, address and signature of the person voting, except that if the community documents permit secret ballots, only the envelope shall contain the name, address and signature of the voter.
7. Ballots, envelopes and related materials, including sign-in sheets if used, shall be retained in electronic or paper format and made available for member inspection for at least one year after completion of the election.

B. Votes cast by absentee ballot or other form of delivery, including the use of e-mail and fax delivery, are valid for the purpose of establishing a quorum.

C. Notwithstanding subsection A of this section, an association for a timeshare plan as defined in section 32-2197 may permit votes by a proxy that is duly executed by a unit owner.

D. For the purposes of this section, "period of declarant control" means the time during which the declarant or persons designated by the declarant may elect or appoint the members of the board of directors pursuant to the community documents or by virtue of superior voting power.
